AKC NATIONAL OWNER-HANDLED SERIES NATIONAL SPECIALTY ONLY

Please see www.AKC.org For eligibility and rules

Please check the box on the entry form if the entry is eligible for this competition

POINTS FOR RESERVE

The Dachshund Club of America, Inc. will award at its National Specialty a three point major to Reserve Winners Dog and Bitch if the Regular Class Dog and Bitch entry is twice the required number for a five point major in the division where the National Specialty is held.

ATTENTION EXHIBITORS

Errors on Entry Blanks. Owners are responsible for errors in making out entry forms, whoever may make such errors, and no entry fee will be refunded in event of such errors or cancellations of entries after the published closing date.

Each Owner and Agent listed on the entry form and/or individual responsible for the dog at a show is bound by the Certification and Agreement on the front and back of the entry form regardless of who may have completed & submitted the entry form.

As Specified in Chapter 12, Section 4 of the AKC Rules Applying to Dog Shows, information contained on the entry form is required to be published in the club's show catalog. This information is also subject to publication in other media.

All Dogs Present must be held on leash or confined to their crates except when being judged or when in the exercising ring.

Class Cash Prizes will be paid in the ring to the person showing the dog. Claims for prize money must be made in the ring before the judging of that breed is over, and the Show Secretary advised at once. The Show Secretary and show-giving Club disclaim any liability for cash prizes after the judging of the breed is over.

- ❖ Best Dual Champion
- ❖ Best Field Trial Dog
- ❖ Best Stud Dog
- ❖ Best Brood Bitch
- ❖ Best Brace

Official Standard of the Dachshund

Approved November 14, 2017 - Effective January 1, 2018 - Corrected December 29, 2017

General Appearance: Low to ground, long in body and short of leg, with robust muscular development; the skin is elastic and pliable without excessive wrinkling. Appearing neither crippled, awkward, nor cramped in his capacity for movement, the Dachshund is well-balanced with bold and confident head carriage and intelligent, alert facial expression. His hunting spirit, good nose, loud tongue and distinctive build make him well-suited for below-ground work and for beating the bush. His keen nose gives him an advantage over most other breeds for trailing. NOTE: Inasmuch as the Dachshund is a hunting dog, scars from honorable wounds shall not be considered a fault.

Size, Proportion, Substance: Bred and shown in two sizes, standard and miniature; miniatures are not a separate classification but compete in a class division for "11 pounds and under at 12 months of age and older." Weight of the standard size is usually between 16 and 32 pounds.

Head: Viewed from above or from the side, the head tapers uniformly to the tip of the nose. The eyes are of medium size, almond-shaped and dark-rimmed, with an energetic, pleasant expression; not piercing; very dark in color. The bridge bones over the eyes are strongly prominent. Wall eyes, except in the case of dappled dogs, are a serious fault. The ears are set near the top of the head, not too far forward, of moderate length, rounded, not narrow, pointed, or folded. Their carriage, when animated, is with the forward edge just touching the cheek so that the ears frame the face. The skull is slightly arched, neither too broad nor too narrow, and slopes gradually with little perceptible stop into the finely-formed, slightly arched muzzle, giving a Roman appearance. Lips are tightly stretched, well covering the lower jaw. Nostrils well open. Jaws opening wide and hinged well back of the eyes, with strongly developed bones and teeth. Teeth - Powerful canine teeth; teeth fit closely together in a scissors bite. An even bite is a minor fault. Any other deviation is a serious fault.

Neck: Long, muscular, clean-cut, without dewlap, slightly arched in the nape, flowing gracefully into the shoulders without creating the impression of a right angle.

Trunk: The trunk is long and fully muscled. When viewed in profile, the back lies in the straightest possible line between the withers and the short, very slightly arched loin. A body that hangs loosely between the shoulders is a serious fault. Abdomen - Slightly drawn up.

Forequarters: For effective underground work, the front must be strong, deep, long and cleanly muscled. Forequarters in detail: Chest - The breast-bone is strongly prominent in front so that on either side a depression or dimple appears. When viewed from the front, the thorax appears oval and extends downward to the mid-point of the forearm. The enclosing structure of the well sprung ribs appears full and oval to allow, by its ample capacity, complete development of heart and lungs. The keel merges gradually into the line of the abdomen and extends well beyond the front legs. Viewed in profile, the lowest point of the breast line is covered by the front leg. Shoulder blades - long, broad, well-laid back and firmly placed upon the fully developed thorax, closely fitted at the withers, furnished with hard yet pliable muscles. Upper Arm - Ideally the same length as the shoulder blade and at right angles to the latter, strong of bone and hard of muscle, lying close to the ribs, with elbows close to the body, yet capable of free movement.

Forearm - Short; supplied with hard yet pliable muscles on the front and outside, with tightly stretched tendons on the inside and at the back, slightly curved inwards. The joints between the forearms and the feet (wrists) are closer together than the shoulder joints, so that the front does not appear absolutely straight. The inclined shoulder blades, upper arms and curved forearms form parentheses that enclose the ribcage, creating the correct "wraparound front." Knuckling over is a disqualifying fault. Feet - Front paws are full, tight, compact, with well-arched toes and tough, thick pads. They may be equally inclined a trifle outward. There are five toes, four in use, close together with a pronounced arch and strong, short nails. Front dewclaws may be removed.

Hindquarters: Strong and cleanly muscled. The pelvis, the thigh, the second thigh, and the rear pastern are ideally the same length and give the appearance of a series of right angles. From the rear, the thighs are strong and powerful. The legs turn neither in nor out. Rear pasterns - Short and strong, perpendicular to the second thigh bone. When viewed from behind, they are upright and parallel. Feet - Hind Paws - Smaller than the front paws with four compactly closed and arched toes with tough, thick pads. The entire foot points straight ahead and is balanced equally on the ball and not merely on the toes. Rear dewclaws should be removed. Croup - Long, rounded and full, sinking slightly toward the tail. Tail - Set in continuation of the spine, extending without kinks, twists, or pronounced curvature, and not carried too gaily. Gait: Fluid and smooth. Forelegs reach well forward, without much lift, in unison with the driving action of hind legs. The correct shoulder assembly and well-fitted elbows allow the long, free stride in front. Viewed from the front, the legs do not move in exact parallel planes, but incline slightly inward. Hind legs drive on a line with the forelegs, with hock joints and rear pasterns (metatarsus) turning neither in nor out. The propulsion of the hind leg depends on the dog's ability to carry the hind leg to complete extension. Viewed in profile, the forward reach of the hind leg equals the rear extension. The thrust of correct movement is seen when the rear pads are clearly exposed during rear extension. Rear feet do not reach upward toward the abdomen and there is no appearance of walking on the rear pasterns. Feet must travel parallel to the line of motion with no tendency to swing out, cross over, or interfere with each other. Short, choppy movement, rolling or high-stepping gait, close or overly wide coming or going are incorrect. The Dachshund must have agility, freedom of movement, and endurance to do the work for which he was developed.

Temperament: The Dachshund is clever, lively and courageous to the point of rashness, persevering in above- and below-ground work, with all the senses well-developed. Any display of shyness is a serious fault.

Special Characteristics of the Three Coat Varieties: The Dachshund is bred with three varieties of coat: (1) Smooth; (2) Wirehaired; (3) Longhaired and is shown in two sizes, standard and miniature. All three varieties and both sizes must conform to the characteristics already specified. The following features are applicable for each variety:

Smooth Dachshund: Coat-Short, smooth and shining. Should be neither too long nor too thick. Ears not leathery. Tail -Gradually tapered to a point, well but not too richly haired. Long sleek bristles on the underside are considered a patch of strong-growing hair, not a fault. A brush tail is a fault, as is also a partly or wholly hairless tail. Color of Hair-Although base color is immaterial, certain patterns and basic colors predominate. One-colored Dachshunds include red and cream, with or without a shading of interspersed dark hairs. A small amount of white on the chest is acceptable, but not desirable. Nose and nails-black. Two-colored Dachshunds include black, chocolate, wild boar, gray (blue) and fawn (Isabella), each with deep, rich tan or cream markings over the eyes, on the sides of the jaw and underlip, on the inner edge of the ear, front, breast, sometimes on the throat, inside and behind the front legs, on the paws and around the anus, and from there to about one-third to one-half of the length of the tail on the underside. Undue prominence of tan or cream markings is undesirable. A small amount of white on the chest is acceptable but not desirable. Nose and nails-in the case of black dogs, black; for chocolate and all other colors, dark brown, but self-colored is acceptable. Dappled Dachshunds - The dapple (merle) pattern is expressed as lighter-colored areas contrasting with the darker base color, which may be any acceptable color. Neither the light nor the dark color should predominate. Nose and nails are the same as for one- and two-colored Dachshunds. Partial or wholly blue (wall) eyes are as acceptable as dark eyes. A large area of white on the chest of a dapple is permissible. Brindle is a pattern (as opposed to a color) in which black or dark stripes occur over the entire body although in some specimens the pattern may be visible only in the tan points.

Piebald is a pattern (as opposed to a color) with clearly defined areas and/or patches of white on any allowed one-colored or two-colored dogs. Two-colored piebald patterned dogs may show tan markings on the face and around the anus. There are no patches of lighter shadings within the colored areas as in the dapple pattern. Ticking in the white areas is acceptable. Eye color, eye rims, nose and lips are well pigmented and in accordance with the base color; eyes are never partially or wholly blue as distinguished from the dapple pattern. Eyes partially or wholly blue is a disqualification. Head must not be more than 50 percent white and color(s) other than white must cover both ears, back and front, and extend without interruption from the ears over both eyes. A head of more than 50 percent white or white on any portion of either ear, back or front, or around the eyes is a disqualification. Pure white dogs with no body spots except on the head are to be disqualified. Nails may be partially or wholly white. Sable – the sable pattern consists of a uniform dark overlay on red dogs. The overlay hairs are double-pigmented, with the tip of each hair much darker than the base color. The pattern usually displays a widow's peak on the head. Nose, nails and eye rims are black. Eyes are dark, the darker the better.

Colors or patterns other than those specified above are a disqualification.

Wirehaired Dachshund: Coat - With the exception of jaw, eyebrows, and ears, the whole body is covered with a uniform tight, short, thick, rough, hard outer coat but with finer, somewhat softer, shorter hairs (undercoat) everywhere distributed between the coarser hairs. The absence of an undercoat is a fault. The distinctive facial furnishings include a beard and eyebrows. On the ears the hair is shorter than on the body, almost smooth. The general arrangement of the hair is such that the wirehaired Dachshund, when viewed from a distance, resembles the smooth. Any sort of soft hair in the outercoat, wherever found on the body, especially on the top of the head, is a fault. The same is true of long, curly, or wavy hair, or hair that sticks out irregularly in all directions. Tail - Robust, thickly haired, gradually tapering to a point. A flag tail is a fault. Color of Hair - While the most common colors are wild boar, black and tan, and various shades of red, all colors and patterns listed above are admissible. Wild boar (agouti) appears as banding of the individual hairs and imparts an overall grizzled effect which is most often seen on wirehaired Dachshunds, but may also appear on other coats. Tan points may or may not be evident. Variations include red boar and chocolate-and-tan boar. Nose, nails and eye rims are black on wild-boar and red-boar Dachshunds. On chocolate-and tan boar Dachshunds, nose, nails, eye rims and eyes are self-colored, the darker the better. A small amount of white on the chest, although acceptable, is not desirable. Nose and nails same as for the smooth variety.

Longhaired Dachshund: Coat - The sleek, glistening, often slightly wavy hair is longer under the neck and on forechest, the underside of the body, the ears and behind the legs. The coat gives the dog an elegant appearance. Short hair on the ear is not desirable. Too profuse a coat which masks type, equally long hair over the whole body, a curly coat, or a pronounced parting on the back are faults. Tail - Carried gracefully in prolongation of the spine; the hair attains its greatest length here and forms a veritable flag. Color of Hair - Same as for the smooth Dachshund. Nose and nails - same as for the smooth.

The foregoing description is that of the ideal Dachshund. Any deviation from the above described dog must be penalized to the extent of the deviation keeping in mind the importance of the contribution of the various features toward the basic original purpose of the breed.

Disqualifications

Knuckling over of front legs.

In the piebald pattern:

- eyes partially or wholly blue, or
- a head of more than 50 percent white, or
- white covering any portion of the ears, back and front, or around the eyes, or
- pure white with no body spots except on the head.

Colors or patterns other than those specified above.

AMERICAN KENNEL CLUB

SCHEDULE OF POINTS FOR DIVISION 15 - EFFECTIVE MAY 16, 2023

Division 15 is comprised of: Illinois, Iowa, Minnesota, Missouri, Wisconsin

For complete Conformation Championship requirements see Chapter 16 of the Rules Applying to Dog Shows

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety. If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are available for the Best of Winners, the number of regular class dogs in both sexes are added together and compared to the point schedule. If the total sum of regular class dogs and bitches meets or exceeds the number of competitors needed for one point in its sex, the Best of Winners will receive one championship point.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

Points Schedule Dachshunds (Longhaired) in Division 15

Points:	1	2	3	4	5
Dogs	2	4	5	6	8

Bitches	2	4	5	7	10

The Dachshund Club of America 2023 National Specialty is dedicated to longtime member, Charles Baris

Charles was born and raised in Manhattan, New York. After graduating from St. John's University, he entered the world of advertising. After retiring he could be found volunteering at the Lincoln Center of Performing Arts.

In The Dachshund Diary John Hart shared that on January 6, 1969, Charles met a 2-year-old dachshund owned by John. He said "Lisl" immediately transferred her affections from John to Charles beginning a new chapter in Charles' life. The Barhar Kennel was soon born producing many champions

throughout the years. In a ten-year span, Barhar kennels produced 85 champions with over 800 Best of Varieties. Charles successfully showed all three varieties, 4 of which reached the #1 spot. It was during this time that the dogs of Barhar became the only wire, smooth and longhair owned by the same owner to win Bests in Show. John described Charles as a "dog whisperer, able to work magic with dogs".

Charles served DCA as the AKC delegate for numerous years. He was a driving force for Knickerbocker Dachshund Club supporting the club in many different ways.

In 1985 Charles became a judge and enjoyed a remarkable judging career that took him all over the world. As stated in The Dachshund Diary John shared that "a well-known and well respected All Breed Judge once called Charles 'The Mayor of Dog Shows'. You see, for him, it wasn't politics. He loved it and he truly loved the people."

Sadly, the Dachshund community has lost yet another dedicated supporter of our breed.

The Dachshund Club of America 2023 National Specialty is dedicated to longtime member, Frances Colonna

We have lost so many significant people in the fancy over the past year and sadly, we have lost an icon of the Dachshund world with the passing of Fran Colonna. Fran has left an indelible mark on the wire variety and on our breed in general. Her enthusiasm, love of the breed and wide-ranging knowledge will be sorely missed by so many of us. Fran was always looking to educate people about our breed and often helped mentor future judges. She was intimately involved with putting together materials for our general education programs, and with Larry Sorenson, initiated our Meet the Breeds booths both the one in Orlando

and the mobile one. She was a judge of the Hound Group and had owned, bred and shown Afghans as well.

What is more, she was a loyal friend, whose bright smile would light up a room. You could always expect an honest response to any question; she was always a straightforward, take me as I am, kind of person. She loved art, music, and travel with friends. Her wit and devotion to family were exceptional. Fran thought of others first--family above all else and then those who needed assistance. A devoted member of the Red Cross, she was deployed in New York City after 9-11, as well at other disaster sites with no thought of her health. Sadly, she suffered numerous health problems after her stint in New York City. But she rarely complained and soldiered on even after fracturing her spine, insisting that she was going to attend our last Dachshund Club Board meeting, which she could not make, as she was hospitalized and ultimately went home with hospice care and the loving attention of her family.

Besides the loss to the Dachshund world and our fancy, I feel I have lost a mentor, a wonderful colleague and a friend. Godspeed, Fran, may angels guide you to your rest.

Ken Levison

The Dachshund Club of America 2023 National Specialty is dedicated to longtime member, Jeanine Sudinski

Jeanine A Sudinski was born in Whiting, Indiana and settled in El Cajon, CA as founder of the Lucene Dachshund Kennel in 1948. Jeanine was the breeder of beautiful standard smooth dachshunds, was a licensed AKC judge, and honored in 2022 as a congratulations from AKC for 50 years of her service.

Jeanine's incredible artistry led her to painting a most desirable and correct silhouette of a smooth dachshund. She created many portraits of dachshunds and other breeds. In 1963, the greatest thrill of her life as an artist came when the famous breeders and owners of Ch Favorite von Marienlust and Ch Falcon of Heying-Teckel came and asked her to do a full body, life-size portrait watercolor of Falcon. Her heart also brought out the best in watercolor through painting landscapes and seascapes and was able to capture nature at it's best. She was active in many art groups and found the time to do more art schooling. She frequently exhibited her work at the Art Institute in Balboa Park.

Jeanine and her daughter, Mechelle Sudinski Stall, were honored by AKC in 2014 as AKC Hound Group breeders of the year. This achievement culminated a lifetime achievement of breeding over 300 Lucene champions, breeding, showing, and judging- as well as DCA BOB and BOVs, Westminster BOV, top producers, and numerous ROM, ROMX, and ROMO producers. Jeanine said, "I have nothing more to achieve, and each time I was wrong, because my Lucene dachshunds would take me another step higher to success of dog breeding. It has been 67 years, since 1948, my first dog show, 1956, my first litter by a son of Ch Favorite von Marienlust and my first champion in 1963, my first Best In Show, owner/handler at a specialty in 1975, and AKC judge in 1972.

In April 2022, Jeanine passed away peacefully at home and was welcomed in loving embrace by all her beautiful Lucene dachshunds.

The Dachshund Club of America honors the memory of the following members. They are greatly missed ...

Alta Bassett

Rosemary Bernadino

Bob Burnett

Christine Cole

Thomas Dettmer

Pearl Dilg

Dr. Jane Phelps

Mary Pyle

Host Show Dachshund Club of America, Inc.

Conformation Junior Showmanship

Longhair Conformation – Sherril Snyder

In 1962, my mother and I started showing our standard long, CH Magda Chris of Curly Creek. Ultimately, we bought BIS BISS CH Elenbusch Jiminy Cricket, MW. We enjoyed showing and meeting other dachshund people and their dogs. Eventually, our longhair Maggie was bred to BIS CH Jo-Del's Nicholas. Their litter earned Maggie a ROM. Later we co-owned and campaigned BISS, BV at Westminster and Group 3. I retired BIS, RBIS, BISS, multiple group winning Platinum2 GCH Walmar-Solo's IOU, SL aka "Ca\$h. I also co-owned BIS, BISS, group winning GCHP Verdon's The Devil in Disguise, MW aka Devlin.

I have been truly blessed with being mentored by various "Icons" of the breed, calling many of them friends. I thank all of you who have been there for me, guiding me in a breeding program, and remaining a positive factor in my life.

Enjoy your journey as I have mine.

Smooth Conformation & Junior Showmanship – Marci Forrester

How do you put 60 years of sharing your life with this wonderful breed into a few sentences? Nearly impossible but I will try.

Grew up with dogs but never owned a dachshund until an adult. My introduction to them came at 15 through neighbors who owned a standard smooth. I remember he barked a lot and liked belly rubs. It was 1963 when a standard smooth came into my life. Ultimately, I owned and exhibited miniatures in all coats and standards smooths.

My small breeding program produced DCA BOB, BOV, AOM, WD, WB and RWB with major. One of my dogs was nationally ranked number one in breed and all breed for two consecutive years. Began judging in 1986 and achieved the hound group in 2006. Have judged around the world, across the US and Canada. Privileged to judge the DCA Nationals multiple times and the Canadian nationals also.

I am honored to have been invited to judge smooths this year in what may be my swan song.

Wirehair Conformation - Scott Deans

During my childhood, we owned basset hounds and a dachshund. When I was seven years old, my parents took me to a dog show. I knew then that I would be involved with dogs one day.

While attending Lenoir Rhyne on a full football scholarship, I acquired my first show basset. Three years later, she was a Top Producer of the Year in BHCA from her first litter. I have several All-Breed Best in Shows, numerous Winners Dog and Winners Bitch awards at BHCA, and three consecutive Best of Breeds at the Nationals. Although Betsy and I are no longer whelping litters, we still co-own a couple of bassets currently being shown. We have owned and shown all three varieties of dachshunds to championship. We recently moved to a new home in Myrtle Beach, SC and share it with a basset and a boxer.

I currently judge basset hound, dachshund, whippet, beagle, and Juniors. Dachshunds are my favorite breed to judge. I sincerely thank DCA for the honor and privilege to judge at your host National Specialty.

Dachshund Club of America, Inc. National Specialty

Puppy Sweepstakes

Longhair Sweepstakes – Cheryl Snedaker-Sims

My love affair with Dachshunds began when I was just 3 years old. I received a black and tan smooth dachshund for my birthday. It wasn't until 1992 that I purchased my foundation bitch, a beautiful black and tan Longhair puppy - Ch Boondox Umbra Au Liebe, JE, CG, CGC TDI, ROMO (Samantha). With that purchase, Dachshire Kennel was established.

Since 1992, I have bred and finished 73 AKC Champions as Breeder/Owner/Handler. Dachshire dogs have also earned Dual Championships, National Specialty Winners, Specialty Winners, Hound Group Winners, and Best In Show. I have served as President as well as other Officer positions for Specialty Clubs and All Breed Clubs. Currently I am an active member of Hoosier Dachshund Club and DCA. I am a past member of the Board of Directors for DCA. I have been an AKC Delegate and served as Show Secretary for Specialty and All Breed Clubs.

I am honored and privileged to judge Longhair variety at the DCA National Sweepstake. I hope you'll enjoy yourself as much as I will.

Smooth Sweepstakes – Eline de Groot

I bought my first mini smooth dachshund in 2008. I grew up with a mother who always bred horses (show jumpers), Labradors and later Mini Wire Dachshund. My Kennel name Perfect Painted was approved by FCI and I had my first litter in 2009. I realized I needed to do better so I connected with Guy Jeavons, who taught me a lot. I have bred multiple Champions in multiple countries, International Champions, and BeNeLux Champions in Europe.

2013 was my first DCA National. I kept coming back to the US to show my dogs. In 2015 I finished my first American Champion, Perfect Painted GaGa Tasty Cookie. More followed.

Recently I received a ROMX certificate for my bitch, Perfect Painted Let The Magik Begin, which means a lot to me as a breeder.

In 2018 we moved to the USA due to my husband's work. We live a happy life with our dogs in Washington state, and we are now here to stay.

Wirehair Sweepstakes – Debby Krieg

Many years ago, I went in search of a pet Dachshund for my son. Little did I know that my son's pet would become my passion for more than 40 years.

Under the 'Daybreak' prefix, I have bred multiple Standard Wirehair conformation champions including DCA winners, Specialty BOB winners, all-breed Best in Show winners and Westminster BOV winners. I'm also proud to have bred a DCA Versatility title holder, Obedience title holders and several Top Producers.

I currently serve the Dachshund community as DCA Corresponding Secretary, DCA Breeder Education Chair, and Webmaster of the DCA website. I am also Vice President of the Central Ohio Dachshund Club.

I look forward to my assignment and the opportunity to see your up-and-coming Wires.

Dachshund Club of America, Inc. National Specialty

Conformation Junior Showmanship

Longhair Conformation & Junior Showmanship – Lorraine Simmons

I have been showing dogs for 45 years. I started with Great Danes in 1978. Dachshunds became part of my life in 1980. I have owned smooths, longs, standards and mini's over the years. I participate in Conformation, Field, Earth Dog, and Rally. There are five generations of Dual Champions in my "Stardox" smooth line. I have strived to promote correct structure as well as health, longevity, and good temperament in my lines. I owned and operated a boarding and grooming kennel for twenty-seven years. I am also a Great Danes judge. I am a Dachshund field trial judge as well. In this capacity I strive to achieve fairness and integrity. Another hobby of mine is raising African Lovebirds. I am a member of the African Lovebird Society. I share my love of Dachshunds with my husband David.

I'm honored to be judging Longs at DCA 2023.

Smooth Conformation – Eric Henningsen

My thanks to DCA for the privilege of judging Smooths. I've had a wonderful show and breeding career, producing many champions under the prefix Jagie's – a tribute to my mother – her nickname. I've had a Dachshund all my life but didn't get involved in showing until I moved to Arizona. I attended a local show where I learned about the Desert Valley DC and later joined. My mentors were Joyce King and Joy King (Joydachs). I traveled with them to specialties and was hooked. I started off in Miniature Smooths, with my first champion Joydachs Rerun of Nikobar. Joy and Joyce put me in contact with Carol and Ufe Braae from Canada. From them I got my first foundation bitch, Ch Braaehaus Regal Lady, a Standard Smooth red puppy from their top winning Ch Braaehaus Traveling Man. I've enjoyed many successes.

Through the sport of dog shows, I've traveled and made friends around the world. Best wishes to everyone during the National's week and again THANK YOU!

Wirehair Conformation – Dianne Graham

I grew up with show dogs and purchased my first "show" mini smooth in 1988. She got a big one point! My next one got a major. I bred them and finished my first champion but discontinued this line. My first standard smooth and mini wire both finished in 1993. I have had success with number ones in conformation, top producers, absolutes in field trials, and have competed a little in Earthdog, Fastcat and Rally. I belong to the New River Valley Kennel Club, the Central Carolina Dachshund Club, NMDC and DCA.

I am appreciative of the honor the members of DCA have awarded me and am looking forward to judging our wonderful wires!

National Specialty

Longhaired Conformation

DCA Obedience/Rally Judge – Shirley Spall

Over the years I have exhibited & trained 20+ Great Danes in Obedience, Rally Obedience, Tracking, Agility and Free Style. When my son became involved with the local 4-H Dog Training Project I was quickly signed up as instructor for the group. I've served as the county department chairman for close to 30 years now with the 4-H youth group. The 4-H program led our family to working with Leader Dog's for the Blind. We have raised 20+ dogs for their program with about 70% of them being graduates!

I wish everyone the best of luck this weekend! We've seen many changes in our sport over the years. But our love of dogs has brought us through it all! It's an exciting time to be involved with our dogs!

Thanks so much for the invitation to judge your show! I'm looking forward to meeting everyone and having a great time sharing the weekend with your club members and their dogs!

Judges

Earthdog

Dachshund Club of St. Louis – Earth Dog Judges

Intro to Quarry – Lucy Shinkle

Novice Earth Dog – Denise Faulkner

Junior Earth Dog – Bill Kasting

Senior Earth Dog – Carolyn Lewis

My first dachshunds came to live with me in 1990. They were Dakota, a standard long and Pumpkin a standard smooth. They introduced me to a new world of dog ownership. I became involved in conformation and obedience.

Having children added to the fun as they all got involved in Junior Showmanship. In 1991 I acquired a delightful wire puppy. Zoe was my first conformation champion and my first field and earthdog competitor. Since then, I have bred 5 generations of dachshunds that competed equally in field, conformation, and performance events. I have 2 generations of DC working on my third.

The dachshund world has allowed me to meet many great people and travel all over the US and Canada. It is a delight to watch good dogs do what they were bred to do. I am thankful for the opportunity to judge at these trials and tests and wish everyone the very best of luck.

Master Earth Dog - Linda Schweitzer

I began my love of dachshunds in 1997, with my first dachshund, Oscar. He was a red smooth, and he was my heart. After him, I got another in 2000, and the rest, as they say, is history.

I fell in love with all things dachshund, and have earned titles in conformation, obedience, agility, rally, earthdog, and field trials with a number of dachshunds over the years. I became licensed to judge Earthdog Tests, then Dachshund Field Trials.

When I lived in Tennessee, it was my pleasure as President to pilot the Cumberland Valley Dachshund Club to gain licensure for Earthdog Tests and Dachshund Field Trials. We also successfully put on the DCA Nationals in 2015.

It is always an honor to be asked to judge events, and I am proud to be able to join the panel this year. I look forward to seeing old friends and making new ones.

Thank you for inviting me, and I look forward to another great event.

Dachshund Club of America, Inc. Earth Dog Judges

Intro to Quarry - Tracy Freeling

I have owned Dachshunds my whole life. As a dog crazy kid, I dragged family members and friends to every show within a two-hour drive of Philadelphia. I took a hiatus for college and graduate school returning to dog sports in the early 90s. My Dachshunds compete in multiple venues but field trials, tracking, and earthdog are my favorites. For me, nothing compares to watching a good working dog except perhaps helping a green dog discover what it was bred to do.

I am a member of the Dachshund Club of America, the Dallas-Fort Worth Dachshund Club, the Houston Dachshund Club, the Dallas-Fort Worth Tracking Club and several other dog organizations. I am the current chair of DCA's Performance Events Committee and have served as the club's field trial statistician for more than a decade. It is an honor to have been invited to judge at these events.

Novice Earth Dog – Pam Giles

I finally achieved a childhood dream at 41 years old when I started showing my second miniature dachshund in obedience, agility, earthdog, and dachshund field trials in 1997. I subsequently put titles on eight dachshunds and one Doberman in various events, including obedience, rally, agility, teacup agility, dachshund field trials, earthdog, conformation, barn hunt, CATs and Fast CATs, and have had three ME dachshunds. I started judging earthdog in 2001. I have a B.S. in Wildlife Management (Purdue) and an Associate Degree in Photography, have just retired after working in county government for 29.75 years, and have been a Des Moines Obedience Training Club member since 1996.

I love the non-competitive nature of earthdog, watching new dogs turn on to the sport, and judging dogs doing something they truly enjoy. It is my pleasure to judge Novice for DCSTL.

Junior Earth Dog – Jody Dean

I had an early start with dachshunds; my parents owned AKC registered standard smooth dachshunds as far back as 1952.

I became involved in show and sport more than a decade ago when I was a resident of California and stumbled into an obedience class with a 2-year-old dachshund I had acquired.

I have judged earthdog for almost a decade, and recently completed construction on an AKC regulation earthdog site on my property in middle Tennessee. Earthdog is one of my favorite sports, it's really satisfying to see the dogs "turn on" to the idea of going to ground to hunt quarry.

I have three dachshunds who have competed in field trials, conformation, earth dog, scent work and rally. I am a "retired" psychologist but on a whim a few years ago I wrote a couple of children's picture books using my dachshund, Roxie, as the main character and was super shocked when they won many children's literary awards. I am looking forward to judging earth dog for our nationals.

Senior Earth Dog– Randy Eltringham

For over 40 years, dachshunds have been an important part of my life. I grew up with dachshunds as a child and have bred, trained and shown all three varieties. As an earthdog and field trial judge, I stand in awe of their beauty, tenacity and hunting ability. I am proud to have put CGC, Obedience, Rally, Earthdog, Field and Agility titles on my dogs. Most of all, I'm proud of their contributions to local community service programs, therapy, hospice and "Tail Waggin' Tutors" youth programs.

Since 2015, due to physical limitations, I have focused on the show ring, with memorable wins at many specialty shows, DCA, Orlando, Philly and Westminster while friends have kept my dogs fully engaged in performance and companion events. Since retiring from a DOD career, I've enjoyed making and donating prizes and gifts in support of special events as a DCA Board Member and member of numerous Dachshund Clubs.

Master Earth Dog– Karen Henry

I got my first dachshund in 1986. I didn't try out any dog sports until I got my first longhair, Dickens, in 1998. He was my Novice A obedience dog. He gave me my first Earthdog titles, field points, Obedience and Rally titles.

Through the years I have put multiple titles on several more of my dogs, including Obedience, Rally, Agility, Earthdog, Farm Dog, Trick titles, Conformation, as well as two Field Champions and one Dual Champion. When I retired from my career as an Air Traffic Controller in 2014, I began judging both Earthdog tests and Dachshund field trials.

I am a member of the Dallas-Fort Worth Dachshund Club, the Dachshund Club of America, and a few other dog related clubs. I am looking forward to judging Master Earthdog for Dachshund Club of America at Purina Farms this year.

Feed *your* breed.

Feeding Purina® supports the future of your breed.

*F*eeding high-quality nutrition every day can help support a strong, healthy future not only for your dogs, but for your entire breed. As a Purina® Pro Club® member, each time you submit receipts showing purchases of eligible Purina brand dog foods, Purina will donate

10% of the value to help the future of your breed. Since 2002, the Purina Parent Club Partnership program has raised more than \$7 million to support canine health research, education and rescue efforts.
