AKC National Owner-Handled Series

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers*.

All dogs that are owner-handled and are not owned, co-owned or exhibited by professional handlers meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of the entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the steward's book & the catalog.

Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants to professional handlers may not exhibit the dog in this competition.**

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

If the Best of Breed (BOB) winner is Owner-Handled competition eligible, it will automatically be Owner-Handled BOB.

If the BOB winner is not eligible for Owner-Handled competition and the Best of Opposite Sex (BOS) to BOB is eligible, the BOS to BOB will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed.

If neither BOB or BOS are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.

If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.

If BOB, BOS, Select Dog and Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring, including Winners Dog or Winners Bitch as Owner-Handled Best of Breed.

If the Best of Winners is eligible, the other Winners are ineligible since they were defeated.

No class dogs other than Winners Dog and Winners Bitch are eligible to return to the ring.

*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards or represented themselves as handling dogs for pay or received payment for handling a dog.

**a current assistant is defined as anyone employed by a professional handler on a full time basis, or, assisting a professional handler at the show or any show during the cluster/weekend.

Most important to note are the following:

To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at <http://images.akc.org/pdf/extenap.pdf>.

**BHCA Members, Breeders and
Fanciers Are Invited To Learn More
About the Basset Hound!**

ANATOMY 101
COLORS of Conformation

Presented by Claudia Orlandi
Date: Thursday, September 12, 2024
Time and Room to be announced

Why does the Basset Hound look the way it does? This seminar and fun event will focus on understanding the unique structure of the Basset based on our breed standard. We will also discuss:

- *The biggest myth about producing correct angulation in your dogs*
- *Tips for breeding correct angles*

Bring your dogs to the hands-on workshop after the seminar to learn how to evaluate angulation!

Correct angulation sets the stage for correct movement and backlines, yet many breeders have never been taught how to correctly measure angles in their dogs nor the genetic rules to follow to produce good angles.

Claudia has presented over 150 seminars on dog breeding and canine anatomy at dog clubs and AKC/CHF Breeder's Symposia throughout the country and for many years, chaired the BHCA Judge's and Breeder's Education Committees.

Attendees will receive a copy of Practical Canine Anatomy & Movement, the Basset Hound Illustrated Standard, a Pocket Guide to the Basset Hound plus angle measuring tools and a rainbow tote bag.

Along with our **Colors of Conformation** workshop, we will be offering fun activities where attendees will be eligible to compete for **\$500 worth of prizes!**

Attendance is FREE!

If you plan to attend the Colors of Conformation, please email or send the below pre-registration information to Bethany Berger, Chairman, Member Education, at bethanyjberger@yahoo.com
