BHCA Guidelines for Ethical Conduct

Each member of the Basset Hound Club of America (BHCA) will consider the welfare of the breed when engaging in any activities involving the breeding, selling or competition of Basset Hounds. BHCA members, both individuals and member clubs, are urged to comply with the following guidelines:

1. Members of the Basset Hound Club of America will abide by the constitution and by-laws of BHCA and of the American Kennel Club.
2. Members will ensure that all dogs in their care are provided adequate food, water, and shelter, opportunity for exercise, veterinary care, and personal attention to monitor their needs.
3. Breedings will be directed toward producing Basset Hounds of exceptional quality in breed temperament, Basset Hound type, and ability to hunt game. Only healthy and mature dogs and bitches free of congenital defects and who possess characteristic breed type, sound structure and temperament shall be bred.
4. Members should not undertake the breeding, of a bitch unless they are prepared to act responsibly regarding the disposition of the resultant puppies. Members shall be discriminating in the placing of puppies and adult hounds, choosing environments in which the Basset Hound will receive suitable care and affection and will not be misused.
5. Basset Hounds offered for sale or males offered at stud must be presented honestly regarding their pedigrees, their potential when bred and their faults or the fault possibilities that may develop in maturity.
6. Members of the Basset Hound Club of America will follow good business practices and ethics in breeding and sales contracts and will honor all agreements. Written agreements in all dealings regarding Basset Hounds are strongly encouraged.
7. No member of this club shall engage in the wholesaling of litters or the selling of breeding stock to commercial sales operations ("puppy mills"). No member will offer or supply Basset Hounds for prizes, raffles, or lotteries.
8. No member shall engage in false or misleading statements, advertising, or misrepresentation of his/her Basset Hounds or those of other BHCA members and/or competitors.
9. Members will practice the principles of good sportsmanship, considering competition to be a challenge, not a threat.
10. All members of the Basset Hound Club of America shall conduct themselves in all aspects of the sport of dogs in a manner designed to reflect credit upon our breed and our club.

Am-basset-dor Mentor Program

“Are you a first time attendee/exhibitor to the BHCA Nationals? If so, please contact Jean Dietrich at Houndmoms@comcast.net or (312) 810-4077 for information on our mentor program.”

Official Basset Hound Standard

General Appearance - The Basset Hound possesses in marked degree those characteristics which equip it admirably to follow a trail over and through difficult terrain. It is a short-legged dog, heavier in bone, size considered, than any other breed of dog, and while its movement is deliberate, it is in no sense clumsy. In temperament it is mild, never sharp or timid. It is capable of great endurance in the field and is extreme in its devotion.

Head - The head is large and well proportioned. Its length from occiput to muzzle is greater than the width at the brow. In overall appearance the head is of medium width. The **skull** is well domed, showing a pronounced occipital protuberance. A broad flat skull is a fault. The length from nose to stop is approximately the length from stop to occiput. The sides are flat and free from cheek bumps. Viewed in profile the top lines of the muzzle and skull are straight and lie in parallel planes, with a moderately defined stop. The skin over the whole of the head is loose, falling in distinct wrinkles over the brow when the head is lowered. A dry head and tight skin are faults. The **muzzle** is deep, heavy, and free from snipiness. The nose is darkly pigmented, preferably black, with large wide-open nostrils. A deep liver-colored nose conforming to the coloring of the head is permissible but not desirable. The **teeth** are large, sound, and regular, meeting in either a scissors or an even bite. A bite either overshot or undershot is a serious fault. The **lips** are darkly pigmented and are pendulous, falling squarely in front and, toward the back, in loose hanging flews. The **dewlap** is very pronounced. The **neck** is powerful, of good length, and well arched. The eyes are soft, sad, and slightly sunken, showing a prominent haw, and in color are brown, dark brown preferred. A somewhat lighter-colored eye conforming to the general coloring of the dog is acceptable but not desirable. Very light or protruding eyes are faults. The ears are extremely long, low set, and when drawn forward, fold well over the end of the nose. They are velvety in texture, hanging in loose folds with the ends curling slightly inward. They are set far back on the head at the base of the skull and, in repose, appear to be set on the neck. A high set or flat ear is a serious fault.

Forequarters - The **chest** is deep and full with prominent sternum showing clearly in front of the legs. The **shoulders** and elbows are set close against the sides of the chest. The distance from the deepest point of the chest to the ground, while it must be adequate to allow free movement when working in the field, is not to be more than one-third the total height at the withers of an adult Basset. The shoulders are well laid back and powerful. Steepness in shoulder, fiddle fronts, and elbows that are out, are serious faults. The **forelegs** are short, powerful, heavy in bone, with wrinkled skin. Knuckling over of the front legs is a disqualification. The paw is massive, very heavy with tough heavy pads, well rounded and with both feet inclined equally a trifle outward, balancing the width of the shoulders. Feet down at the pastern are a serious fault. The toes are neither pinched together nor splayed, with the weight of the forepart of the body borne evenly on each. The dewclaws may be removed.

Official Basset Hound Standard (continued)

Body - The rib structure is long, smooth, and extends well back. The ribs are well sprung, allowing adequate room for heart and lungs. Flatsidedness and flanged ribs are faults. The topline is straight, level, and free from any tendency to sag or roach, which are faults.

Hindquarters - The hindquarters are very full and well rounded, and are approximately equal to the shoulders in width. They must not appear slack or light in relation to the over-all depth of the body. The dog stands firmly on its hind legs showing a well-let-down stifle with no tendency toward a crouching stance. Viewed from behind, the hind legs are parallel, with the hocks turning neither in nor out. Cowhocks or bowed legs are serious faults. The hind feet point straight ahead. Steep, poorly angulated hindquarters are a serious fault. The dewclaws, if any, may be removed.

Tail - The tail is not to be docked, and is set in continuation of the spine with but slight curvature, and carried gaily in hound fashion. The hair on the underside of the tail is coarse.

Size - The height should not exceed 14 inches. Height over 15 inches at the highest point of the shoulder blade is a disqualification.

Gait - The Basset Hound moves in a smooth, powerful, and effortless manner. Being a scenting dog with short legs, it holds its nose low to the ground. Its gait is absolutely true with perfect coordination between the front and hind legs, and it moves in a straight line with hind feet following in line with the front feet, the hocks well bent with no stiffness of action. The front legs do not paddle, weave, or overlap, and the elbows must lie close to the body. Going away, the hind legs are parallel.

Coat - The coat is hard, smooth, and short, with sufficient density to be of use in all weather. The skin is loose and elastic. A distinctly long coat is a disqualification.

Color - Any recognized hound color is acceptable and the distribution of color and markings is of no importance.

Disqualifications - Height of more than 15 inches at the highest point of the shoulder blade. Knuckled over front legs. Distinctly long coat.

AKC National Owner-Handled Series

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers*.

All dogs that are owner-handled and are not owned, co-owned or exhibited by professional handlers meet the requirements for this competition. Exhibitors must declare their dog is Owner-Handled eligible at the time of the entry using the check box on the entry form.

Eligible dogs will be identified by an asterisk in the steward's book & the catalog.

Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers, household members and current assistants to professional handlers may not exhibit the dog in this competition.**

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the non-regular classes.

If the Best of Breed (BOB) winner is Owner-Handled competition eligible, it will automatically be Owner-Handled BOB.

If the BOB winner is not eligible for Owner-Handled competition and the Best of Opposite Sex (BOS) to BOB is eligible, the BOS to BOB will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed.

If neither BOB or BOS are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.

If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.

If BOB, BOS, Select Dog and Select Bitch are not eligible, the judge may choose any eligible dog remaining in the ring, including Winners Dog or Winners Bitch as Owner-Handled Best of Breed.

If the Best of Winners is eligible, the other Winners are ineligible since they were defeated.

No class dogs other than Winners Dog and Winners Bitch are eligible to return to the ring.

*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards or represented themselves as handling dogs for pay or received payment for handling a dog.

**a current assistant is defined as anyone employed by a professional handler on a full time basis, or, assisting a professional handler at the show or any show during the cluster/weekend.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.

SWEEPSTAKES

Maria Bivins Sweepstakes Judge

First and foremost, I would like to extend my most heartfelt thanks to all for electing me to judge Sweepstakes at the upcoming Nationals! I am excited beyond measure.

I got my start in basset hounds in 1995, when my then boyfriend, now my husband suggested we get a dog. I had never had a dog, ever. I was a diehard cat person, so I thought. But the idea intrigued me, and I knew I didn't want something too big or too small, on a weekend soon after I accompanied my dad to an outdoor flea market, where we ran into a friend of his that had his basset hound with him. It was love at first sight and I knew that was the breed I wanted.

Our first basset hound, Fred (of course...) was promptly purchased from a "breeder" in the Los Angeles Times who had a litter for sale, aside from Fred, the most important thing I got from the sellers, was that they told me about the Basset Hound Club of So. California. I attended one event and talked to a few breeders and got introduced to the world of dog shows. I got my first show puppy from Jan Kano (Arrowhead Bassets) that same year and never looked back.

I had my first litter, actually 2 litters within 7 days of each other (15 puppies!!!) in 1999; I always paid close attention to all the advice that has been imparted to me in the years since, by so many breeders of long standing. I tried and continue to try, to learn and study our breed with diligence. And most importantly keep an open mind to those that have a different opinion than mine.

Around 2010, I partnered with Malisa Martinez from Argentina, of the renowned kennel name It's So Floppy, she graciously asked if I would continue her breeding program here in the USA and we have been thrilled with the outcome, partnership and friendship we have.

I have traveled extensively and gone to many basset hound specialties around the world (Australia, England, France, Germany, Italy, Mexico, Scotland) which has enabled me to learn more about our beloved breed. I have judged Sweepstakes numerous times in the US and also Open shows in Australia, England and Scotland. My favorite hobby is dog photography, and I believe that looking at a dog through a viewfinder sometimes gives me a different perspective than I would have otherwise had.

I am looking forward to September, it can't come soon enough!

DOGS

NICK FROST DOG CLASSES

My first dog was an English Springer Spaniel, my first show dog was an Afghan Hound. My involvement with Basset Hounds goes back to 1979 when I joined the famous English kennel of the Fredwell Basset Hounds, who had bred many great dogs in the sixties and seventies and who had also brought in the first PGBV to the UK. Both breeds needed a new impetus and under my hands, with some judicious outcrosses, the Bassets enjoyed a new lease of life that produced a series of UK Champions until I moved to the US in 1995.

When I came to the USA, I brought a couple of bassets with me and bred two litters producing a few champions, but I decided to concentrate on my PGBVs, of which I have bred or owned about 150 champions worldwide.

My judging career started back in the UK. In fact, Basset Hounds was the first breed I judged at Championship Shows. Here in the USA, I judge two and a half Groups. I have been privileged to judge Basset Hounds in many countries. They still remain one of my heart breeds! Thank you for this opportunity to go over your hounds today!

BITCHES

CLAIRE (KITTY) STEIDEL

Bitch Classes Judge

My serious involvement with the Basset dates back to 1967. From a local breeder we purchased our first Basset. The breeder suggested we show her; it was an intriguing thought. To learn more about shows, I traipsed the countryside in PA for two years attending shows and observing Bassets among other breeds. Comparison convinced me our Basset was not a show prospect. We did, however, have one

litter like so many inexperienced individuals do. Attending my first National with a bitch from our first litter, I went third in the BBX; I was hooked. I joined a steward's club, and attended every imaginable workshop/seminar on dogs, collecting books and articles on the development of various hunting breeds. Under the Sanchu prefix my husband and I, over 50 some years of involvement in Basset Hounds, have probably finished approximately 100 Sanchu Champions. I have had a satisfying co-ownership arrangement with Topsyfield Kennel of Vermont. Though Sanchu appears often in National Winners, the highlight was CH Sanchu's Hot Toddy going breed at our National. In the eighties, a trip to Denmark visiting Basset fanciers and a visit in a home of a PBGV breeder ignited my interest in the PBGV. Realizing that this breed would be popular in U.S. and concerned about their proper introduction, I developed a newsletter and organized the Inaugural Meeting founding the PBGV Club of America. (Philadelphia, AKC Centennial 1984). Today Life Memberships include: BHCA, PBGVCA, Scottsdale DFA, Channel City KC and member of Golden Gate KC.

I served on the Board of the Basset Hound Club of America and on their JEC for 30+ years, I have served on most committees with the PBGVCA, including the offices of President and Secretary. I assisted with the PBGV Official Standard Revisions, Committee Chair to produce the CD, and developed many materials for seminars. In 1987, the first book devoted exclusively to PBGV, Understanding the Petit Basset Griffon Vendéen-french hound (Orient) received a nomination for best breed book by the DWAA. I judged my first PBGVs in Denmark before they were recognized in the U.S. For this event I studied the GBGV, PBGV, Basset Bleu de Gascogne and the Fauve de Bretagne, all part of the Basset Hound Club of Denmark. in AZ.

Some 40 years later I am still trying to get across the concept of casual.

I have written the PBGVCA Gazette column and continue to serve as the JEC (40+ years). I have represented Channel City KC, (Santa Barbara, CA) as AKC Delegate, served on the Board of the Scottsdale Dog Fanciers Association in AZ, and coordinated the Scottsdale Dog Judges Workshop Group. I serve on the BOD of the GBGVCA- have written numerous magazine articles on Bassets, PBGV's and GBGV's, given Presentations to judges, written a monthly hound column for Sight and Scent-the all-hound magazine. Judging-wise I am approved for Hound, Sporting, Toy Groups and a few Herding and limited Juniors.

I graduated from Wells College in Aurora, NY with a major in English, a minor in Philosophy and earned a Masters from Cornell University. Today Chuck and I live with our GBGV, Gilby Grand.in AZ

I am honored to have been selected to judge Bitches at the 2024 National along with great friends Nicholas Frost and Bryan Martin.

JUNIOR SHOWMANSHIP
PARADE OF VETERANS

BRYAN MARTIN

BEST OF BREED BEST OWNER HANDLED JUNIOR SHOWMANSHIP JUDGE

My first recollection of a dog show was attending the Fall Fun Match for the Fort Dearborn Basset Hound Club in 1960. A couple of years later we had new dogs and I could start showing in Junior Showmanship. That didn't last long, as I qualified for Open Class in 5 shows and had to wait until I was old enough then for Open. I qualified 5 consecutive years for the Westminster KC Junior Finals.

My family continued showing dogs while I was in college. While there I began judging Junior Showmanship in 1974, the first person under the age of 21 so approved. Upon graduating from Iowa State University I began managing horse shows, specifically Hunter/Jumper and Arabian "A" rated horse shows for the American Horse Shows Association. While doing that I became an "R" Steward, equivalent to an Executive Field Representative at dog shows.

In 1983 I married Nancy Sheehan and began handling dogs professionally under the SHOWS, etc. banner. We were quite the duo, setting many breed records for several breeds. In 2013 we hung up our leads and I began a new career with the American Kennel Club as an Executive Field Representative. I served in the position until COVID-19 struck.

With all this behind me I have come to my latest adventure, Judging! I am grateful to be invited to evaluate your entries today. One of my bucket list events has been filled! Thank you.

OBEDIENCE & RALLY

JILL JONES

OBEDIENCE/RALLY JUDGE

Probably most people know that I am British and arrived in America on Hallowe'en 1964 – some people assume I flew in on my witch's broom!! I had originally planned on staying in America for about two years, but I am still here almost 60 years later!

After dillydallying with several different breeds (a Norwegian Elkhound, 5 Labradors, a Finish Spitz, several Greyhounds) I got my first corgi in the fall of 1980 (a rescue dog

from the local Humane Society) closely followed by Bert, imported from England. Since then, I have had a succession of corgis and now have my 10th one. My emphasis has always been on performance including 5 UD's, 17 TD's, and 9 TDX's. I was also thrilled to have the first corgi with a Tracking Urban (TDU) title on January 1, 2014, the inaugural date of that particular test.

My current doggy household consists of the corgi pictured below as a 7 month old puppy, now 11 years old, and totally in charge of the household, a labrador (a Guide Dog for the Blind-bred dog) also 11, and finally a "maybe a corgi, probably not!" rescue, now 3,- a very cute little dog, although he is a very ugly corgi!

I am a member of my local obedience/rally club, Emerald Dog Obedience Club based in Eugene, OR. I have been judging obedience since 1977, rally since its inception in 2005 and tracking since 1984.

(My apologies the corgi referenced in the bio was not included in the picture.)

FRANCIS KEAYS TRACKING JUDGE

I have been into tracking for nearly 25 years, having titled dogs in AKC, ASCA and CKC tracking tests. I have been judging tracking for about 10 years. I have had Rottweilers since 1995. I compete with my Rottweilers in conformation, obedience, rally, agility, herding, scent work, tracking and carting. I have

been fortunate to have Top 10 Rottweilers in most of those activities at one time or another.

Of all of the activities I do with my dogs, I think tracking creates the closest bond with my dogs. As a tracking judge, the most exciting thing for me is to watch a dog and handler work together to successfully complete a track. Picture is of Fizbin (Am/Can CH Nightwind's A Piece of the Action, CD Am/Can TDX, PT, BH, ATT, CGC), my first successful tracking dog.

JUDY STROMQUIST TRACKING JUDGE

I share my life with 2 Alaskan Malamutes. My younger dog is studying TD and the older dog is on her TDX/VST journey. I've been in the sport for over 20 years, first as a track-layer, then as a tracking instructor and judge.

I feel lucky to be in a collegial sport where we all celebrate the teams that pass, encourage those that don't and always thank our volunteers!

FIELD TRIALS

BEN MARLEY **FIELD TRIAL JUDGE**

For me, there is nothing sweeter than the sound of a basset hound opening on rabbit scent. I can still remember my first basset hound tracking rabbits like it was yesterday. To this day, it is such a thrill for me to train bassets in field work. I have been participating in basset hound field trials for 20 years. I continue to have the same, if not, more passion when I began this adventure. One of my long-term goals is to expand the sport of basset hound field trials.

I am the club President of Western Michigan Basset Hound Club, Vice President of Capital District Basset Hound Club, and a member of Basset Hound Club of Western Pennsylvania, and Pilgrim Basset Hound Club. My wife, Samantha, and I have judged basset hounds in field trials and hunting performance tests. We have also judged dachshund field trials.

I have written multiple articles on field work with bassets. In recent years we have participated in conformation, showing our multiple Dual Champion bassets. Our breeding program runs under the prefix Fox-Mar kennel. Samantha and I look forward to judging the 2024 BHCA Nationals Field Trial.

FIELD TRIALS

SAMANTHA FOX, PHD **FIELD TRIAL JUDGE**

I acquired my first basset hound 20 years ago and a short time later started field trialing. I still remember the first time our dog opened on a rabbit. It wasn't at a field trial. It was at dusk, with barely any light left to see what we were doing as we exited the woods. When he opened, we thought he was being attacked. We figured it out when he didn't run back to us and seemed proud of himself. When we attended an AKC field trial a short time later, that dog got NBQ.

Early on Ben and I recognized there was room for improvement in the conformation qualities of the field basset. We started on that mission in 2019 when we acquired our first conformation basset, who is now a dual grand champion. We have had many successes with our hounds and use the kennel name Fox-Mar.

I am a member of several basset hound clubs including Western Michigan Basset Hound Club, Western Pennsylvania Basset Hound Club, and Pilgrim Basset Hound Club.

I have judged basset hounds in field trials and hunt tests and dachshund field trials. In 2022 I judged my first basset hound specialty for the Emerald Empire Basset Hound Fanciers in Oregon. I look forward to judging the field trial event at the 2024 Basset Hound Club of America National Field Trials.

SCENTWORK

PAULA RATOZA SCENTWORK JUDGE

For over 25 years, Paula Ratoza has been coordinating and training animals for movies and commercials. In 1996, she rescued a Doberman that was under socialized and over abused. Higgins earned his CD four months after he came to live with Paula. She enrolled him in agility lessons to build his confidence. Higgins earned the titles Paula needed to become an AKC agility judge, but, when he was competing at the Master level, the table tipped and he injured his leg.

In 1999, Paula brought her heart dog into her home – MACH2 Wyndem's Brain Storm UD GN RAE MXS MJG MXP MJP MXF XFP. At the time of her passing she was the most AKC titled Doberman in U.S. history. She holds the record for the youngest Doberman in U.S. history to earn a CD at 7 ½ months old. She won the Doberman Top Twenty at the Doberman Pinscher National Specialty in 2005. She was a multiple HIT in obedience and agility and multiple High Combined in obedience and rally. All her rally scores, except for Novice when Paula was new to the game and didn't understand all the rules, were 100 points.

Baebea's offspring, and grand offspring, with Paula's training and handling, have earned over 250 titles, including HIT in obedience, agility, and scent work, and High Combined and High Triple Q in rally. Her current performance dogs are competing at the highest levels in agility, obedience, rally, and scent work.

Paula became an AKC agility judge in Spring of 2004. She has judged in more than half the states in the country, and all the states west of Texas, including Alaska and Hawaii. Paula became a CGC evaluator in 2015, and trick evaluator when AKC inaugurated their new trick program. She became a Scent Work judge when AKC launched scent work in Spring of 2017. And she became a Fetch judge in January, 2024 when AKC's Fetch program went live.

Paula knows more than Dobermans. She has owned, trained and shown Bernese Mountain Dogs, Samoyeds, and miniature Dachshunds, in addition to mixed breeds.

SCENTWORK

MARY CLAROSE SCENTWORK JUDGE

I got involved in dog training back in 1977 when I had a mixed breed pit bull. I “dabbled” in obedience with Ilio (dog in Hawaiian). Besides my first dog, Ilio, I have owned Jack Russell Terriers, Parson Russell Terriers, Border Terriers, a Smooth Fox Terrier, American Staffordshire Terriers, and currently have just two Staffordshire Bull Terriers, Ruby and Rolo.

I’ve shown in obedience, conformation, rally, agility, scentwork, Fast CAT and Barnhunt. Rolo, my Staffy Bull, currently has his CDX and is currently enjoying Barnhunt and Fast CAT, and training for Utility and Scentwork.

I’ve always enjoyed the challenges of training and showing my dogs. You always need to be a step ahead of a terrier, and it is a great feeling when we become a team.

I am an AKC Scentwork, Earthdog, and Rally Judge.

I’m looking forward to meeting all of you.
