## Official Standard for the Bloodhound

Approved: January 9, 1996 / Effective: February 29, 1996

**General Character:** The Bloodhound possesses, in a most marked degree, every point and characteristic of those dogs which hunt together by scent (Sagaces). He is very powerful, and stands over more ground than is usual with hounds of other breeds. The skin is thin to the touch and extremely loose, this being more especially noticeable about the head and neck, where it hangs in deep folds.

**Height:** The mean average height of adult dogs is 26 inches, and of adult bitches 24 inches. Dogs usually vary from 25 to 27 inches, and bitches from 23 to 25 inches; but, in either case, the greater height is to be preferred, provided that character and quality are also combined.

**Weight:** The mean average weight of adult dogs, in fair condition, is 90 pounds, and of adult bitches 80 pounds. Dogs attain the weight of 110 pounds, bitches 100 pounds. The greater weights are to be preferred, provided (as in the case of height) that quality and proportion are also combined.

**Expression:** The expression is noble and dignified, and characterized by solemnity, wisdom, and power.

**Temperament:** In temperament he is extremely affectionate, neither quarrelsome with companions nor with other dogs. His nature is somewhat shy, and equally sensitive to kindness or correction by his master.

**Head:** The head is narrow in proportion to its length, and long in proportion to the body, tapering but slightly from the temples to the end of the muzzle, thus (when viewed from above and in front) having the appearance of being flattened at the sides and of being nearly equal in width throughout its entire length. In profile the upper outline of the skull is nearly in the same plane as that of the foreface. The length from end of nose to stop (midway between the eyes) should be not less than that from stop to back of

occipital protuberance (peak). The entire length of head from the posterior part of the occipital protuberance to the end of the muzzle should be 12 inches, or more, in dogs, and 11 inches, or more, in bitches. *Skull*-The skull is long and narrow, with the occipital peak very pronounced. The brows are not prominent, although, owing to the deep-set eyes, they may have that appearance. *Foreface*-The foreface is long, deep, and of even width throughout, with square outline when seen in profile. *Eyes*-The eyes are deeply sunk in the orbits, the lids assuming a lozenge or diamond shape, in consequence of the lower lids being dragged down and everted by the heavy flews. The eyes correspond with the general tone of color of the animal, varying from deep hazel to yellow. The hazel color is, however, to be preferred, although very seldom seen in liver-and-tan hounds. *Ears*-The ears are thin and soft to the touch, extremely long, set very low, and fall in graceful folds, the lower parts curling inward and backward.

*Mouth*-A scissors bite is preferred, level bite accepted.

*Wrinkle*: The head is furnished with an amount of loose skin, which in nearly every position appears superabundant, but more particularly so when the head is carried low; the skin then falls into loose, pendulous ridges and folds, especially over the forehead and sides of the face. *Nostrils*-The nostrils are large and open. *Lips, Flews, and Dewlap*-In front the lips fall squarely, making a right angle with the upper line of the foreface; whilst behind they form deep, hanging flews, and, being continued into the pendant folds of loose skin about the neck, constitute the dewlap, which is very pronounced. These characteristics are found, though in a lesser degree, in the bitch.

*Neck, Shoulders and Chest*: The neck is long, the shoulders muscular and well sloped backwards; the ribs are well sprung; and the chest well let down between the forelegs, forming a deep keel.

*Legs and Feet*: The forelegs are straight and large in bone, with elbows squarely set; the feet strong and

well knuckled up; the thighs and second thighs (gaskins) are very muscular; the hocks well bent and let down and squarely set.

Back and Loin: The back and loins are strong, the latter deep and slightly arched. Stern-The stern is long and tapering, and set on rather high, with a moderate amount of hair underneath.

Gait: The gait is elastic, swinging and free, the stern being carried high, but not too much curled over the back.

Color: The colors are black and tan, liver and tan, and red; the darker colors being sometimes interspersed with lighter or badger-colored hair, and sometimes flecked with white. A small amount of white is permissible on chest, feet, and tip of stern.

## *Meet Our Chief Ring Steward*

Mr. Ron Lukins, AKC Judge

In December 1984 I met my now late wife, Mary Netzley Lukins, at the Basset Hound Club of Southern California Christmas dinner, along with her parents and a host of people I've called friends for decades. On May 18, we married, and the dowry consisted of 20 Basset Hounds, as Mary and her mother, Kati, had already established the Desiree Acres Kennel name, known worldwide. After hauling crates and canopies to and from the shows for years, earning the second-string handling position for Desiree Acres and assisting in the breeding and whelping of a few litters, the BHCSC asked me to judge one of their matches.

Other breeds followed. I learned from breeders and began to pay attention to the breeds, armed with the standard. My diligence continued in study; learning about different hounds remained priority. I was approved to judge Bassets in 2006, Bloodhounds in 2013, and I am just shy for having the Hound Group. Mary was always there with feedback and positivity.

For almost 35 years, our life in dogs was part of our happiness. Mary bred just enough to keep her in the show dogs she wanted with type, soundness, and the capability to hunt rabbits. She raised and trained them for conformation and the field. We stayed true to the type and soundness called for.

I can only wish for you the luck I have had in experiencing a major part of my life in dogs.

### Club Note

*The ABC and PRBC are honored to have AKC Judge Ron Lukins as chief ring steward for the 2024 ABC National Specialty*

## *Meet Our Judges*

Ms. Susan Markley, Futurity Judge

As a professional handler for almost 30 years, I had many successes in the show ring, including BIS, BISS, Group winning, Group placing, Grand Champions, Champions, Top 5 for their breeds, National BOS, BOW, and winners. I've had a dog qualify for the bloodhound top twenty every year.

I started my journey in bloodhounds in 1996 when I had the privilege of showing for Anne Legge (Legacy Kennels). I was immediately smitten with this wonderful breed.

After several years of owning and exhibiting bloodhounds, I decided to breed my first litter under the prefix Treasure. As a breeder I'm passionate about breeding dogs that are healthy and structurally sound with proper temperaments.

I've produced numerous Grand Champions, Champions, Group placing, top twenty, Grand Sweepstakes, and Futurity winners, as well as trailing titles and SAR dogs. Dogs I've bred have qualified for Westminster, the AKC Championship, and Crufts

One of my greatest joys is seeing the next generation develop and mature. I am honored to have been selected to be this year's Futurity judge. I'm looking forward to seeing the breeders next generation.

## *Meet Our Judges*

Ms. Karen Dewey, National Sweepstakes Judge

As I have said before, it all started with Lady and the Tramp in 1955. Trusty the Bloodhound stole my heart and although my family said absolutely “NO,” in 1990 I got my wish and Bloodhounds have been a part of my life ever since.

Soonipi (pronounced Soo-Nip-ee) Hounds is named after the region of New Hampshire where we live. It is Abenaki for “lake of the flying goose” although the Dewey family is better known for skiing the mountain than boating on the lake. Through a very special partnership with my dear friend, Sandy Katos, Soonipi Hounds has been blessed to own and produce many conformation, obedience, rally and trailing champions. Our success in the conformation ring over the years has included awards at the ABC National, CBC Regional, Westminster and the AKC NOHS for MBIS, BOB, BOS, WB, WD, and AOM winners.

It has been a wonderful journey in this breed that I love. For the ABC, I have previously judged the Top 20 and Futurity. I am an ABC Hall of Fame Breeder of Merit. I am the President and AKC Delegate of the Woodstock Dog Club, Inc., an All-Breed AKC club. All of these opportunities have come from owning Bloodhounds. And now it has come full circle as I pursue my AKC judging license.

Pacific Rim, thank you so much for this marvelous opportunity. Spending time with the entrants in the ABC 2024 Sweepstakes will be pure pleasure and be sure to spot the smile on my face and a tear in my eye.

## *Meet Our Judges*

Mr. Edmund (Eddie) Dziuk, National Specialty Judge

Eddie Dziuk has been actively involved in the sport of purebred dogs for over forty-five years. He obtained his first Beagle as a teenager in 1977 and finished its championship as a junior owner handler. He's never been without the breed since. He has bred or owned more than 75 Beagle champions, including 5 National Beagle Club BOB Winners, and 11 All-Breed BIS Winners., including "Judy," Ch. Lanbur Miss Fleetwood, the top winning 13" Beagle of all time, and the two Westminster BIS winners, "Uno," Ch. K-Run's Park Me In First, and "Miss P," Ch. Tashtins Lookin For Trouble.

Along with Wade Burns and Jon Woodring, he was also the co-breeder and co-owner of the three highly influential Beagle sires: Ch. Lanbur The Company Car, Ch. Lanbur The Continental and Ch. Lanbur Carson City. Together these three dogs have sired more than 200 champions.

Eddie began judging in 2009, and is currently licensed for the Sporting and Hound Groups, as well as a number of Toy and Non-Sporting breeds and Junior Showmanship.

Professionally, Eddie holds a BS in Economics, and an MBA from the University of Missouri. For the last 20+ years, he has been the Chief Operating Officer of the Orthopedic Foundation for Animals (OFA), where he has the unique opportunity to combine his business and management experience with his love of dogs and passion and interest in canine health. He is a full time advocate for the purebred dog, and canine health & welfare promoting responsible dog ownership and breeding practices.

## *Meet Our Judges*

Ms. Laura Reeves, Regional Sweepstakes Judge

Laura Reeves is an AKC Breeder of Merit and retired zone rep for the Professional Handlers Association. Laura is a second-generation breeder of German Wirehaired Pointers, under the Scotia Kennel banner. She is currently licensed to judge the majority of the sporting group, along with various additional breeds in five groups.

Laura spent her childhood training field trial Labs with games of baseball to improve their blind retrieves, teaching Clumber Spaniels how to swim and German Wirehaired Pointers to retrieve to hand.

Scotia dogs have earned well over 100 titles, in the show ring; in hunt tests, field trials and NAVHDA (North American Versatile Hunting Dog Association); in agility, tracking, obedience and rally. Her dedication to breeding dual purpose dogs reflects a stated goal of preserving the all-weather, rugged, sound-minded gun dog the breed's founders envisioned.

In her professional handling career, Laura maintained a low-number, high-quality client list. Specializing in rare breeds and challenging dogs, she piloted multiple dogs to Best in Show, Best in Specialty Show, Group wins, #1 rankings and more.

Laura's background as a newspaper reporter, marketing rep and researcher/writer for audio driving tours has served her well in her side projects. Her current adventure as host of the PureDogTalk podcast lends her particular combination of skills to an exhibitor and public education platform.

## *Meet Our Judges*

Ms. Sylvie McGee, Regional Specialty Judge

I am so appreciative of this invitation – which is a great honor – to judge the ABC Northwest Regional Specialty this September.

I grew up with dogs that included several mixed breeds, a St Bernard and then an Irish Wolfhound. Then as an adult, I owned and bred Basset Hounds. I came to Basset Hounds initially when my then-partner and I were trying to find a dog we could agree on. Big dog (for me), short stature (for my partner). Initially our Bassets were rescue dogs. Then seeking a healthy, well-socialized pet, we were introduced to a breeder who is to this day my mentor, and obtained Phoebe, who we agreed to “try showing for a year”. Well, we see where that ended up!

My love of Bassets led to my love of hounds in general, and I set about learning as much as I could about all the hound breeds. I am indebted to my mentors and to long-time breeders who have shared their knowledge and love of their breeds with me. I am currently approved for the Hound group, for five working breeds and those feisty Scottish Terriers.

I met my first Bloodhounds hanging out at various shows in the Pacific Northwest, and was fortunate to find a mentor in Suzi Paine, who shared her great love of the breed and honest feedback as I was learning to judge these powerful and elegant hounds. My goal in the ring is to have every exhibitor feel that their dog was given a good and fair evaluation and the opportunity to showcase their strengths. I will do my best to give you that experience at this specialty, and I thank you sincerely for the trust you are placing in me.

Note: At the National and Regional Specialties, puppies and juniors will be judged AFTER veterans.
